## Verse 1:

You are faithful **E**  
You are true **A**  
Your love is ageless **C#m**  
And I'm its pursuit **B**  
The cross was taken **E**  
Your Son forsaken **A**  
That all creation **C#m**  
May come to know You **B**

## CHORUS:

Your love goes on and on and on **E**  
On and on and on **A**  
On and on and on it goes **C#m B**  
Your love goes on and on and on  
On and on and on  
On and on and on it goes  
Your love goes on

## VERSE 2:

Through my failures  
Through my flaws  
In my brokenness  
You never give up  
I don't deserve it  
But love determined  
That I was worth it  
And called me Your own

## BRIDGE:

I know that this love runs deeper than **A**  
The borders of my sin **B**  
Forever Lord I worship you **C#m G#m**  
I know that the grave could not contain **A**  
The power of Jesus' name **B**  
Forever Lord I'll lift You high **C#m G#m7**  
I know that when fear stands at the door  
The fight was always Yours  
Forever Lord I'll trust in You  
I know that no height nor width nor depth  
No shame not even death **B/D#**  
Could ever separate me from Your love
