

Royal Conference Parent Info Sheet

We are so excited for Royal Conference hosted by our Royal Youth Team and we would love for your young person to come party with us! This year we have Pastor Derek Donley all the way from The Mix, fellowship Church, Texas with us plus Manny Arango from World Overcomers will also be speaking. As always, we will have amazing praise and worship from our own Royal Youth band!

As you may know, Royal Conference is one massive party with food, games, TRIBAL WARS, and much more. But above all else, God does something very special in the hearts of every young person. Our heart is to see your young person encounter God in such a way they are never the same. We believe in raising up an army of young people that are unashamed about their relationship with Jesus and passionate about building the LOCAL CHURCH. We hope to see your entire family at Wave Conference this year!
